Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for **Rose Road over Bowen Creek Bridge Replacement** in surface transportation reauthorization legislation.

The project sponsor for this project is the Genesee County Highway Department and the project is located at Rose Road, Batavia, NY 14020.

The funding is designated for the replacement of the existing Rose Road Bridge over Bowen Creek.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: the existing bridge consists of three elliptical pipes with failing headwalls and section loss of the pipes below the water line. The bridge will be replaced with a single span to improve the hydraulic flow of Bowen Creek and widened to accommodate bicycle and pedestrian traffic. A replacement bridge will improve the safety of this highway.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

CHERIS JACOBS
Member of Congress
