Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for Raymond Road Highway Improvements in surface transportation reauthorization legislation.

The project sponsor for this project is the Niagara County Department of Public Works and the project is located at Raymond Road, Lockport, NY 14094.

The funding is designated for rehabilitating Raymond Road between Dysinger Road and Rapids Road.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: safety improvements to reduce severe and fatal accidents. In addition, motorists will be able to continue to use the major corridors linking Erie County with the City of Lockport on the Eastern section of the County.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

CHRIS JACOBS
Member of Congress
